

## LAD R10 WALL WASHER

Semi-recessed projectors

design Roberto Mantovani

A projector for semi-recessed wall or ceiling installations, it is characterised by a minimal design and high optical performance. The wall washer optics are extremely precise and clean, whilst the geometry of the body eliminates visibility of the light source, ensuring extremely high visual comfort.

Proiettore per installazione a semi-incasso a parete o a soffitto connotato da un design minimale ed elevate prestazioni ottiche. L'ottica wall washer è estremamente precisa e pulita, la geometria del corpo annulla la visibilità della sorgente luminosa rendendo il comfort visivo estremamente elevato.

Projecteur pour installation semi-encastrée sur mur ou sur plafond, caractérisé par un design minimaliste et de hautes performances optiques. L'optique wallwasher est extrêmement précise et nette, la géométrie du corps dissimule la source lumineuse, pour un confort visuel extrêmement élevé.

Projektor für halbversenkte Wand- oder Deckenmontage mit minimalistischem Design und hoher optischer Leistung. Die Wallwasher-Optik ist extrem präzise und sauber, die Geometrie des Körpers hebt die Sichtbarkeit der Lichtquelle auf, wodurch der Sehkomfort extrem hoch ist.

Proyector para instalación semi-empotrado en pared o techo caracterizado por un diseño minimalista y un alto rendimiento óptico. La óptica wall washer es extremadamente precisa y limpia, la geometría del cuerpo anula la visibilidad de la fuente luminosa haciendo que el confort visual sea extremadamente alto.

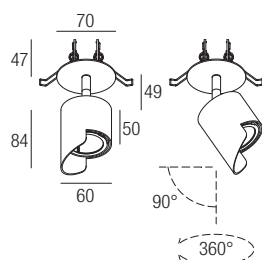

**Supply current**  
500mA (V, 18V)

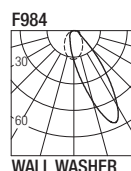

**Power**  
10W

**Series wiring**

### Dimensions

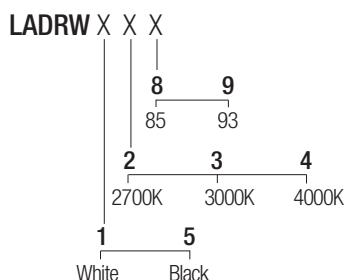

### Photometric diagrams

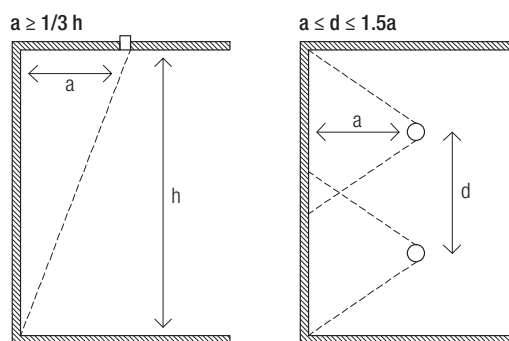

### CCT/CRI/Flux

	CRI85	CRI93
2700K	890lm	840lm
3000K	1000lm	930lm
4200K	1040lm	960lm

### Code construction

### Installation guide

### Drivers

on/off	dimmiabile
AL1074 (1) 30mm IP20	AL4010 (1.2) 72mm IP20 PUSH 1..10V
AL1077 (1) 40mm IP20	AL4151 (1.2) 72mm IP20 DALI
AL1084 (1.2) 55mm IP20 S.P.	AL4153 (1.2) 56mm IP20 PUSH IGBT-TRIAC
AL9051 (1) 44mm IP67	AL8050 (1.2) IP67 DALI

500 mA

**Note:** versions with extended arm length are available upon request
